Case No. MD-05-1220A

INTERIM CONSENT AGREEMENT FOR PRACTICE RESTRICTION

Holder of License No. **31553**
For the Practice of Allopathic Medicine
In the State of Arizona.

INTERIM CONSENT AGREEMENT

By mutual agreement and understanding, between the Arizona Medical Board ("Board") and Alexander Christian Miles, M.D., ("Respondent") the parties agree to the following disposition of this matter.

1. Respondent has read and understands this Interim Consent Agreement and the stipulated Findings of Fact, Conclusions of Law and Order ("Interim Consent Agreement"). Respondent acknowledges that he understands he has the right to consult with legal counsel regarding this matter.

2. By entering into this Interim Consent Agreement, Respondent voluntarily relinquishes any rights to a hearing or judicial review in state or federal court on the matters alleged, or to challenge this Interim Consent Agreement in its entirety as issued by the Board, and waives any other cause of action related thereto or arising from said Interim Consent Agreement.

3. This Interim Consent Agreement will not become effective until signed by the Executive Director.

4. All admissions made by Respondent are solely for interim disposition of this matter and any subsequent related administrative proceedings or civil litigation involving the Board and Respondent. Therefore, said admissions by Respondent are not intended or made for any other use, such as in the context of another state or federal

1 government regulatory agency proceeding, civil or criminal court proceeding, in the
2 State of Arizona or any other state or federal court.

3 5. Respondent may not make any modifications to the document. Upon
4 signing this agreement, and returning this document (or a copy thereof) to the Executive
5 Director, Respondent may not revoke acceptance of the Interim Consent Agreement.
6 Any modifications to this Interim Consent Agreement are ineffective and void unless
7 mutually approved by the parties.

8 6. This Interim Consent Agreement, once approved and signed, is a public
9 record that will be publicly disseminated as a formal action of the Board and will be
10 reported to the National Practitioner Databank and on the Board's website.

11 7. If any part of the Interim Consent Agreement is later declared void or
12 otherwise unenforceable, the remainder of the Interim Consent Agreement in its entirety
13 shall remain in force and effect.

1 **FINDINGS OF FACT**

2 1. The Board is the duly constituted authority for the regulation and control of
3 the practice of allopathic medicine in the State of Arizona.

4 2. Respondent is the holder of License No. 31553 for the practice of allopathic
5 medicine in the State of Arizona.

6 3. On December 15, 2005 the Board learned the United States Attorney for the
7 Western District of Oklahoma announced Respondent's arrest on a federal warrant
8 stemming from a sealed indictment issued by an Oklahoma City grand jury charging
9 Respondent with transportation of a fifteen year-old female from New York City to Altus,
10 Oklahoma with the intent to engage in sex with her.

11 4. According to the indictment Respondent traveled to Cambodia in 2001 to
12 meet the then fourteen year-old girl and propose marriage to her. In October 2001
13 Respondent and the girl were married in a Cambodian wedding ceremony. The
14 indictment alleges Respondent caused false documents to be prepared indicating the
15 girl was eighteen years-old so she could obtain a Cambodian passport and Visa to
16 come to the United States. The indictment also alleges that Respondent used the same
17 false documents to marry the girl in a ceremony in New York. The indictment further
18 alleges Respondent transported the girl to Oklahoma in 2002 (when she was fifteen)
19 after he accepted employment in Altus, Oklahoma.

20 5. Based on the information in the indictment there is evidence that if
21 Respondent were to practice medicine in Arizona there would be a danger to the public
22 health and safety.

23 **CONCLUSIONS OF LAW**

24 1. The Board possesses jurisdiction over the subject matter hereof and over
25 Respondent.

2. The Executive Director may enter into a consent agreement with a physician if there is evidence of danger to the public health and safety. A.R.S. § 32-1405(C)(25); A.A.C. R4-16-404.

ORDER

IT IS HEREBY ORDERED THAT:

1. Respondent shall not practice clinical medicine or any medicine involving direct patient care and is prohibited from prescribing any form of treatment including prescription medications until Respondent applies to the Board and receives permission to do so. The Board may require any combination of Staff approved physical examination, psychiatric and/or psychological evaluations, or successful passage of the Special Purpose Licensing Examination or other competency examination/evaluation or interview it finds necessary to assist it in determining Respondent's ability to safely and competently return to the active practice of medicine.

2. This is an interim order and not a final decision by the Board regarding the pending investigative file and as such is subject to further consideration by the Board.

3. This Order supersedes all previous consent agreements and stipulations between the Board and/or the Executive Director and Respondent. *ADP*

DATED AND EFFECTIVE this 9th day of January, 2005.
